***The Department for Education has published a document called "Working Together to Improve Attendance" which is on our website. School will be working even closer with some families to ensure good and consistent attendance.***

Northumberland County Council have created a team of professionals to deal with any concerns you may have while in the community; "**OneCall**" brings together adult social care, healthcare staff and children's services. Their aim is to help early to stop any situations becoming serious. Their phone number is **01670 536 400**. We are proud to be an Operation Encompass school.

Best wishes,  
Mr O Flitcroft
