Pupil Premium Document [including CLA and Forces Children]

Seaton Delaval First School receives additional funding (a 'Pupil Premium') of @£85,285 [2021/ 2022] to support pupils.

Seaton Delaval First School receives additional funding (a 'Pupil Premium') of @£71,300 [2022/ 2023] to support pupils.

For the financial year **2021-22** this group numbered 60 children (35.5%) at Seaton Delaval First School.

Barriers:

- High proportion of children begin Nursery with no, or very little, pre-school experiences.
- Prime areas plus reading, writing and maths show 'not typical' attainment on entry when children complete their baselines.
- A high proportion of PP children/ pupils are also boys and SEND.
- Attendance is slightly lower for PP pupils 95.17% vs 95.50 for No PP [with group is SEND & PP]

Desired outcomes:

1. Improve rapidly knowledge, understanding and skills in Prime and Specific areas throughout Nursery and into Reception.
2. Diminish further any achievement differences between boys and girls in English and Mathematics throughout school and in every year group.
3. Diminish further any difference between Pupil Premium pupils and their peers in Mathematics, writing and SEND PP.
4. Diminish further any small differences in attendance between groups of pupils within school.

To meet the School Development Plan objectives we used the additional funding for the following [2021 - 2022/ 2022 - 2023 inclusive]:
