Pupil Exclusion Policy

We believe this policy should be a working document that is fit for purpose, represents the school ethos, enables consistency and quality across the school and is related to the following legislation:

- Education Act 2002
- Anti-social Behaviour Act 2003
- Education Act 2005
- Education and Inspections Act 2006
- Education (Pupil Exclusions and Appeals) (Miscellaneous Amendments) (England) Regulations 2006
- Education (Provision of Full-Time Education for Excluded Pupils) (England) Regulations 2007
- Apprenticeships, Skills, Children and Learning Act 2009
- Equality Act 2010
- Education Act 2011
- School Discipline (Pupil Exclusions and Reviews) (England) Regulations 2012

The following documentation is also related to this policy:

- Exclusion from Maintained Schools, Academies and pupil Referral Units in England (DfE)
- Special Educational Needs and Disability Code of Practice: 0 to 25 Years. Statutory Guidance for Organisations Who Work With and Support Children and Young People with Special Educational Needs and Disabilities (DfE) and (DoH)
- Equality Act 2010: Advice for Schools (DfE)
- Race Disparity Audit - Summary Findings from the Ethnicity Facts and Figures Website (Cabinet Office)

We strongly believe in good discipline as we feel it is essential to ensure that all pupils can benefit from the educational and social opportunities that the school offers. The exclusion of a pupil will only be 'used as a last resort in response to a serious breach or persistent breaches of the school's behaviour policy'.

We work hard not to exclude pupils but to help to support them by constantly reviewing our behaviour management and working with them to help their behaviours. We have in place a behaviour management system that everybody is familiar with and know what they are doing

We treat all pupils fairly with all decisions to exclude will be lawful, reasonable and fair. We will not discriminate against pupils on the basis of protected characteristics. All pupils who are vulnerable to exclusion will be treated fairly.

We believe pupil exclusion is best defined as when a pupil is not allowed to attend school for either a fixed term or permanently. Pupil exclusion is a sanction that will be used only as a last resort, except when an immediate exclusion is the only appropriate action to take.

We acknowledge that a pupil will only be excluded following serious breaches of discipline or if the safety of pupils and school personnel would be harmed if the pupil remained in the school. Parents will be informed immediately in writing about a fixed period exclusion.

Before a pupil is excluded a whole range of strategies such as early intervention and pupil support plans will be implemented in order to improve the behaviour of the pupil.

We believe that 'disruptive behaviour can be an indication of unmet needs' and we will do all that we can to identify the causes and if need be to 'give consideration to a multi-agency assessment that goes beyond the pupil's educational needs.'

All exclusions will follow the correct procedures as outlined in 'The Department for Education guidance Exclusion from Maintained Schools, Academies and pupil Referral Units in England (2012)'. We are aware that is illegal to unofficially or informally exclude by just sending a pupil home for disciplinary reasons. At all times the correct procedures will be followed.

We will try to ensure that other than in the most exceptional circumstances we will not exclude any pupil who has a statement for SEN, or an education, health and care plan (EHC) or is receiving SEND support.

Parents will be made aware of their rights that they can appeal against an exclusion to the Governing Body. An independent review panel will deal with all appeals.

We will ensure that all excluded pupils will be 'enabled and encouraged to participate at all stages of the exclusion process, taking into account their age and understanding.'

We have a duty to have in place a strategy for reintegrating pupils that return to school following a fixed period of exclusion, and a strategy for managing their future behaviour.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We all have a responsibility to ensure equality permeates in to all aspects of school life and that everyone is treated equally irrespective of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation. We want everyone connected with this school to feel safe, secure, valued and of equal worth.

We acknowledge the findings of the Race Disparity Audit that clearly shows how people of different ethnicities are treated across the public services of health, education, employment and the criminal justice system.

The educational section of the audit that covers: differences by region; attainment and economic disadvantage; exclusions and abuse; and destinations, has a significant importance for the strategic planning of this school.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.
